SUMMARY

I am an aspiring web developer currently pursuing a Higher Diploma in Software Engineering (HDSE) at Aptech (2024). I have hands-on experience in front-end and back-end development, with a strong foundation in modern web technologies. Passionate about building dynamic, user-friendly, and efficient applications, I am eager to apply my skills to real-world projects and internships that will help me grow as a developer.

Committed to writing clean, maintainable code and solving complex problems, I continuously strive to improve my technical expertise. I stay updated with industry trends and best practices to develop high-quality software solutions that meet user needs. With dedication and perseverance, I aim to excel in my journey toward becoming a skilled and professional web developer.
